Articulating cup design for a superior polish

new!
ProFlare™

Articulating Disposable
Prophy Angle

The new ProFlare™ articulating disposable prophy angle provides a better way to polish. Its unique latex-free articulating cup* pivots and flares adapting to the contour of each tooth surface with less wrist motion for better ergonomics, while its outer ridges reach interproximally. The efficient gear mechanism provides smooth acceleration and optimal jam-free performance. ProFlare offers you superior quality at an affordable price.
